

From the Membership Assistant, Julia Lever

Just a reminder to members that we can greatly benefit if you are able to Gift Aid your subscriptions and donations to the Friends. If you are not sure you have signed a Gift Aid declaration, do please get in touch with us to check, or pop into the office to complete a form or we

can send one out to you. Whilst we post out our newsletters and Spire to members, it is very useful in reducing our running costs if we are able to send subscription reminders to people by email - do let us have your email address if possible please.
