

## GRANTS FROM THE FRIENDS SINCE 1930 TO THE DEAN & CHAPTER OF SALISBURY CATHEDRAL

The total of Friends' Grants is now over £3,000,000. £1 in 1930 would be worth something like £40 today, so the present total would be a considerable sum. It is the Friends' purpose and privilege to help Salisbury Cathedral. Long may our members, through their generosity by subscriptions, donations and bequests, be able to continue this labour of love.
